The latest Celcom Life app, downloadable via Google Play Store and App store, provides customers with unified access to manage Xpax and FIRST™ accounts. It offers fresh new look, with improved experience and simplified digital interface for matters such as online transactions, purchasing more reload or add-ons or keeping track of their data consumptions and many more.

Azwan Khan Osman Khan, Deputy Chief Executive Officer, Business Operations of Celcom Axiata Berhad said Xpax has been revitalised and refreshed to deliver an awesome consumer experience that offers the flexibility and freedom to our consumers to be *Xactly* who they are.

“As Celcom continues to enrich its consumers' digital experience, our consumers can have it their way by being able to customise and personalise their plans to be best suited to their digital lifestyles, hassle-free and always staying digitally awesome!” he said.
