**FOR IMMEDIATE RELEASE**

**CELCOM INTRODUCES PLATINUM STATUS DATA PLAN**

More exclusive offers and privileges with the new FIRST™ Platinum, and six Perodua Axia await lucky customers

**KUALA LUMPUR, 21 APRIL 2016** – Celcom Axiata Berhad, the leading data network provider introduced FIRST™ Platinum, the latest addition to its FIRST™ plans family, to offer a rich internet experience and great array of privileges to customers.

Being above the rest, the all-new limited time only **FIRST™ Platinum** caters to the premium segment of customers with higher appetite for internet usage, with its 18GB data quota, unlimited calls and SMS to all networks, as well as up to 9GB carry-forward unused internet, for only RM150 monthly.

FIRST™ Platinum was officially launched at Menara Celcom by **Dato' Sri Shazalli Ramly, Chief Executive Officer of Celcom Axiata Berhad**, accompanied by **Zalman Aefendy Zainal Abidin, Chief of Sales and Marketing Officer of Celcom Axiata Berhad**.

According to Dato' Sri Shazalli Ramly, "Celcom is ecstatic to be offering FIRST™ Platinum, **a plan that is catered** to the ever changing **digital needs** of Malaysians. The wonderful delights and privileges added in also separate the exclusivity of this plan compared to the rest in the market.

"Priority customer service, exclusivity, and convenience are combined in one simplified rate, which fulfil our desire to elevate customer experience to another level

This is how committed we are when it comes to fulfilling our customers demand for the best and to be abreast with digital trend of today," he added.

Meanwhile, Zalman indicated increasing customers' demand for a bigger and better mobile internet as well as an exceptional consumer experience had enthused Celcom to introduce the new plan.

"Either for work or play, customers are constantly thirsty for data plan that allows them to do so much more. Therefore Celcom brings this significant **rich internet experience** to customers with **distinctive privileges**, powered by Celcom's ultrafast 4G LTE network.

"Besides, the new plan offers more option to a different segments of customers; where FiRST™ Blue and FiRST™ Gold cater for entry-level and middle range for unparalleled Internet, calls and SMS plans, and FiRST™ Platinum comes in to serve a more premium segment with a rich internet experience," said Zalman.

**FiRST™ Platinum** completes the FiRST™ flagship, succeeding after FiRST™ Blue and FiRST™ Gold, the most talked about plans by Celcom. The new plan is also available for Celcom's corporate customers with FiRST™ Platinum for Business.

This premium and exclusive plan comes with a host of privileges as customers signing on to FiRST™ Platinum are able to choose their **preferred phone number**, and a **Priority Customer Service** line is dedicated to its customers at just a call away. All they need to do is to dial 1881 to reach for assistance at any time.

An ultimate internet experience is also offered with the unbeatable plan, where subscribers will enjoy a 12-month full access to iflix subscription and unlimited secure messaging via Zipit Chat. Music enthusiasts are not forgotten, as FiRST™ Platinum also offers unlimited Yonder Music.

Even when travelling, customers of FiRST™ Platinum will always be connected with Wonderoam 1-Day Internet RM38 and Wonderoam 1-Week Internet RM138. And for a limited time only, the first 1,000 new subscribers are given a one-time exclusive access to Malaysia Airlines Golden Lounge in KLIA, when flying domestic or international.
