

**NEWS RELEASE  
FOR IMMEDIATE RELEASE**

**CELCOM OFFERS 50% DISCOUNT WITH MORE THAN DOUBLE THE SPEED FOR  
FIBRE INTERNET PLANS IN SABAH!**

**KUALA LUMPUR, 14 SEPTEMBER 2018** – Celcom Axiata Berhad's advanced broadband fibre service for homes and businesses in the Sabah community – Celcom Home Fibre™ and Celcom Business Fibre™ - has been enhanced to deliver more than double the speed of high-speed internet fibre connection service at affordable prices.

In conjunction with Malaysia Day, starting 16 September 2018 onwards, the Celcom Home Fibre™ and Celcom Business Fibre™ plans are available with internet speeds up to 100Mbps and at 50 percent lower prices. This is in line with the government's call for nationwide high-speed broadband accessibility at affordable prices.

The new Celcom Home Fibre™ packages offer customers unlimited high-speed fibre internet with speeds up to 100Mbps at RM120 per month and with the new lowered price for 40Mbps at RM80 per month respectively. Celcom Home Fibre™ offers a free wireless router with free installation.

All existing Celcom Home Fibre™ customers will be upgraded gradually to 100Mbps until the end of September 2018. Customers who are currently subscribed to the previous Home Fibre™120, will enjoy 10 times faster internet speed at 100Mbps at no extra cost. Customers who subscribed to Home Fibre™ 150 and 180 at 20Mbps and 40Mbps respectively, will also automatically enjoy 100Mbps internet speeds at a reduced price of only RM120 per month.

## WITH 50% DISCOUNT, NOW IS THE RIGHT TIME FOR THE MOST AFFORDABLE FAST INTERNET AT HOME

All existing Celcom Business Fibre™ customers will be upgraded gradually to 100Mbps until the end of September 2018 and enjoy high speed internet at only RM130 per month.

Mohamad Idham Nawawi, Chief Executive Officer of Celcom Axiata Berhad said within today's rapid growing digital technology industry, every Malaysian should have the opportunity to be digitally adept and the accessibility to high-speed internet without being burdened financially.

"Celcom is making broadband services more affordable by reducing its Celcom Home Fibre™ and Celcom Business Fibre™ prices by half, while offering more than double the speed for internet. We will continuously work towards expanding our fibre technology and high-speed broadband internet access for businesses and communities in both urban and rural areas, further upholding the government's agenda for nationwide broadband penetration," he said.

For enquiries on the new Celcom Home Fibre™ or Celcom Business Fibre™, customers can simply call our Customer Service Consultant at 1-300-11-3282 or visit the nearest Celcom bluecube to check on the coverage area for fibre internet availability.
