CELCOM INTRODUCES GBSHARE™

The biggest internet plans up to 70GB from Celcom FIRST™ can be easily shared.

KUALA LUMPUR, 13 APRIL 2017 – Celcom Axiata Berhad's flagship postpaid, Celcom FIRST™ introduces its newest product feature, GBshare™ – the biggest FIRST™ Plans are now shareable and easy to manage. Supported by Celcom's seamless 4G network, customers of Celcom FIRST™ Gold Plus and FIRST™ Platinum can now enjoy sharing internet with friends and family easily with the latest MYCELCOM POSTPAID app.

Celcom will continue to deliver the best customer experience for its customers and meet the needs of those who seek the best internet plan that can be easily shared. The all-new simplified Celcom FIRST™ feature, GBshare™ now offers the biggest internet plans to be shared without any complexity.

GBshare™ is available with Celcom FIRST™ Gold Plus, RM98 (40GB) and customers can register with 2 GBshare™ Lines for up to 44GB of easy internet sharing. For Celcom FIRST™ Platinum, RM150 (60GB), customers can register with 2 GBshare™ Lines or up to a maximum of 5 GBshare™ Lines, and share up to 70GB with 5 family members.

Each GBshare™ Line at RM48, comes with an additional 2GB of internet that will be added on top of the group's total monthly quota. GBshare™ Lines also include unlimited calls and unlimited usage for Whatsapp and WeChat.

The internet quota for GBshare™ can be used at any time of the day and on any day. It is paired with the new MYCELCOM POSTPAID app, downloadable at Google Play and App store, allowing easy internet sharing.

Azwan Khan Osman Khan, Deputy Chief Executive Officer, Business Operations, Celcom Axiata Berhad said GBshare™ is perfected to suit the digital needs of customers' with a simplified group sharing application without any complexity.

“As Celcom continues its focus on delivering the best mobile internet experience for all customers, we want our customers to have best access to share the biggest internet allocation with their friends and family, further enhancing everyone's digital experience with Celcom's 4G network,” he said.

Meanwhile, Zalman Aefendy Zainal Abidin, Chief Marketing Officer of Celcom Axiata Berhad said GBshare™ paired with the new MYCELCOM POSTPAID app gives customers full control of their account and internet usage at anywhere and anytime.
